CLASS: PRIMARY SCHOOL

SUBJECT: BASIC SCIENCE

TOPIC: PLANT

SUB-TOPIC: HOW PLANT GROW

www.ogundigiclass.ng

OBJECTIVES

Say the
meaning of
plant

Identify plant

List the things
we need to
grow plant

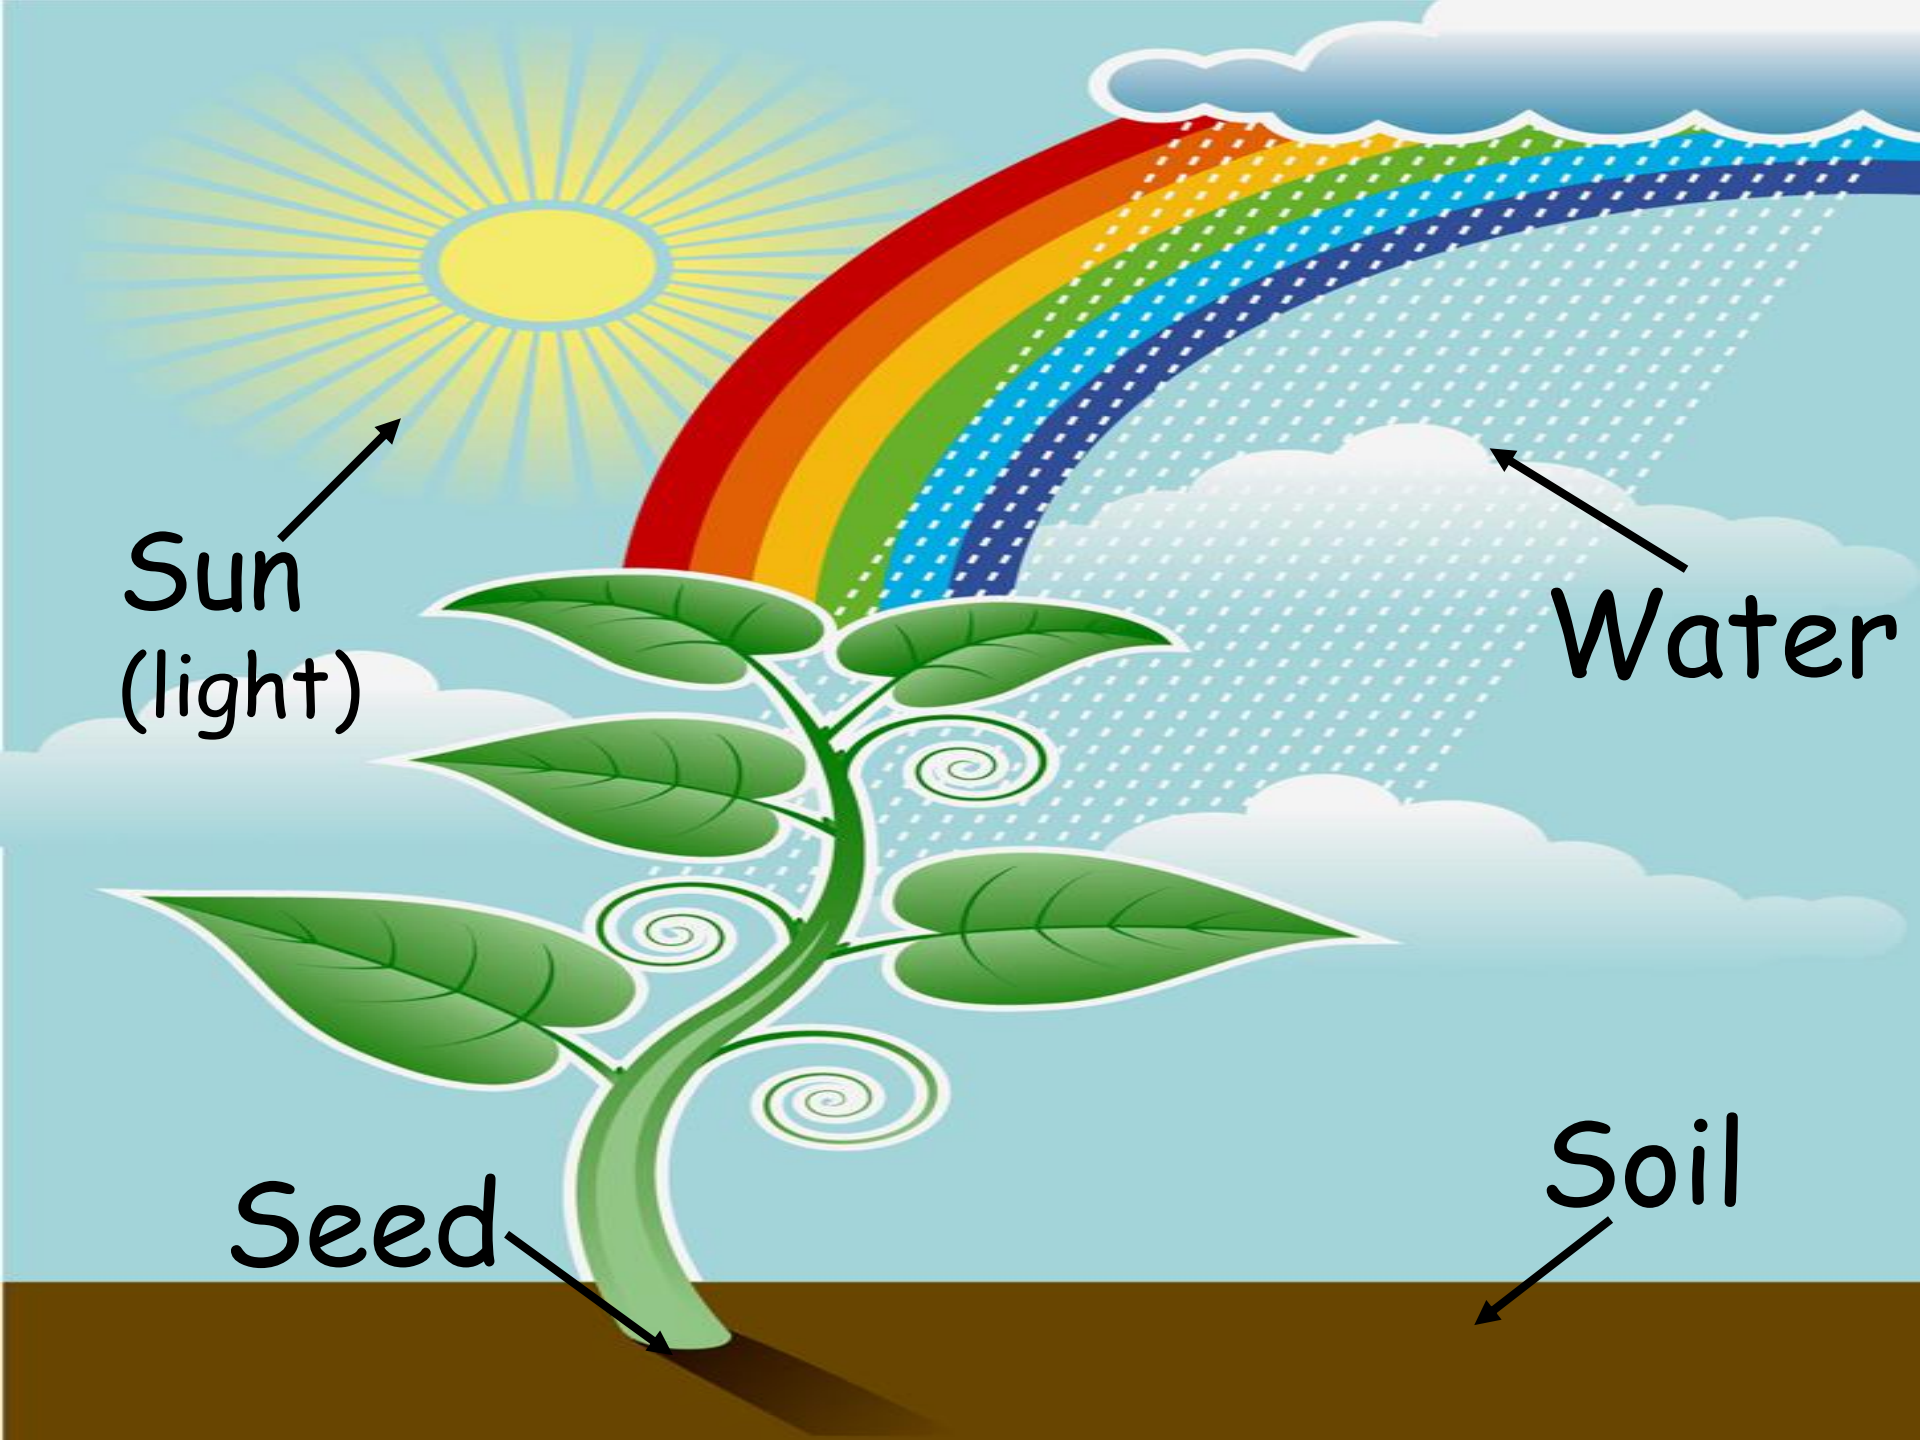

Birth Of A New Plant

A vibrant, cartoon-style illustration. In the top left, a bright yellow sun with radiating lines. A large, multi-colored rainbow arches across the sky from the top right towards the center. The sky is light blue with several white, fluffy clouds. A green plant with four large leaves and three small spiral tendrils grows from a brown patch of soil at the bottom left. The text 'How to Grow a Plant' is written in a large, black, sans-serif font across the middle of the image, partially overlapping the plant and the rainbow. Below it, the text 'What do you think we need?' is written in a smaller, black, sans-serif font.

How to Grow a Plant

What do you think we need?

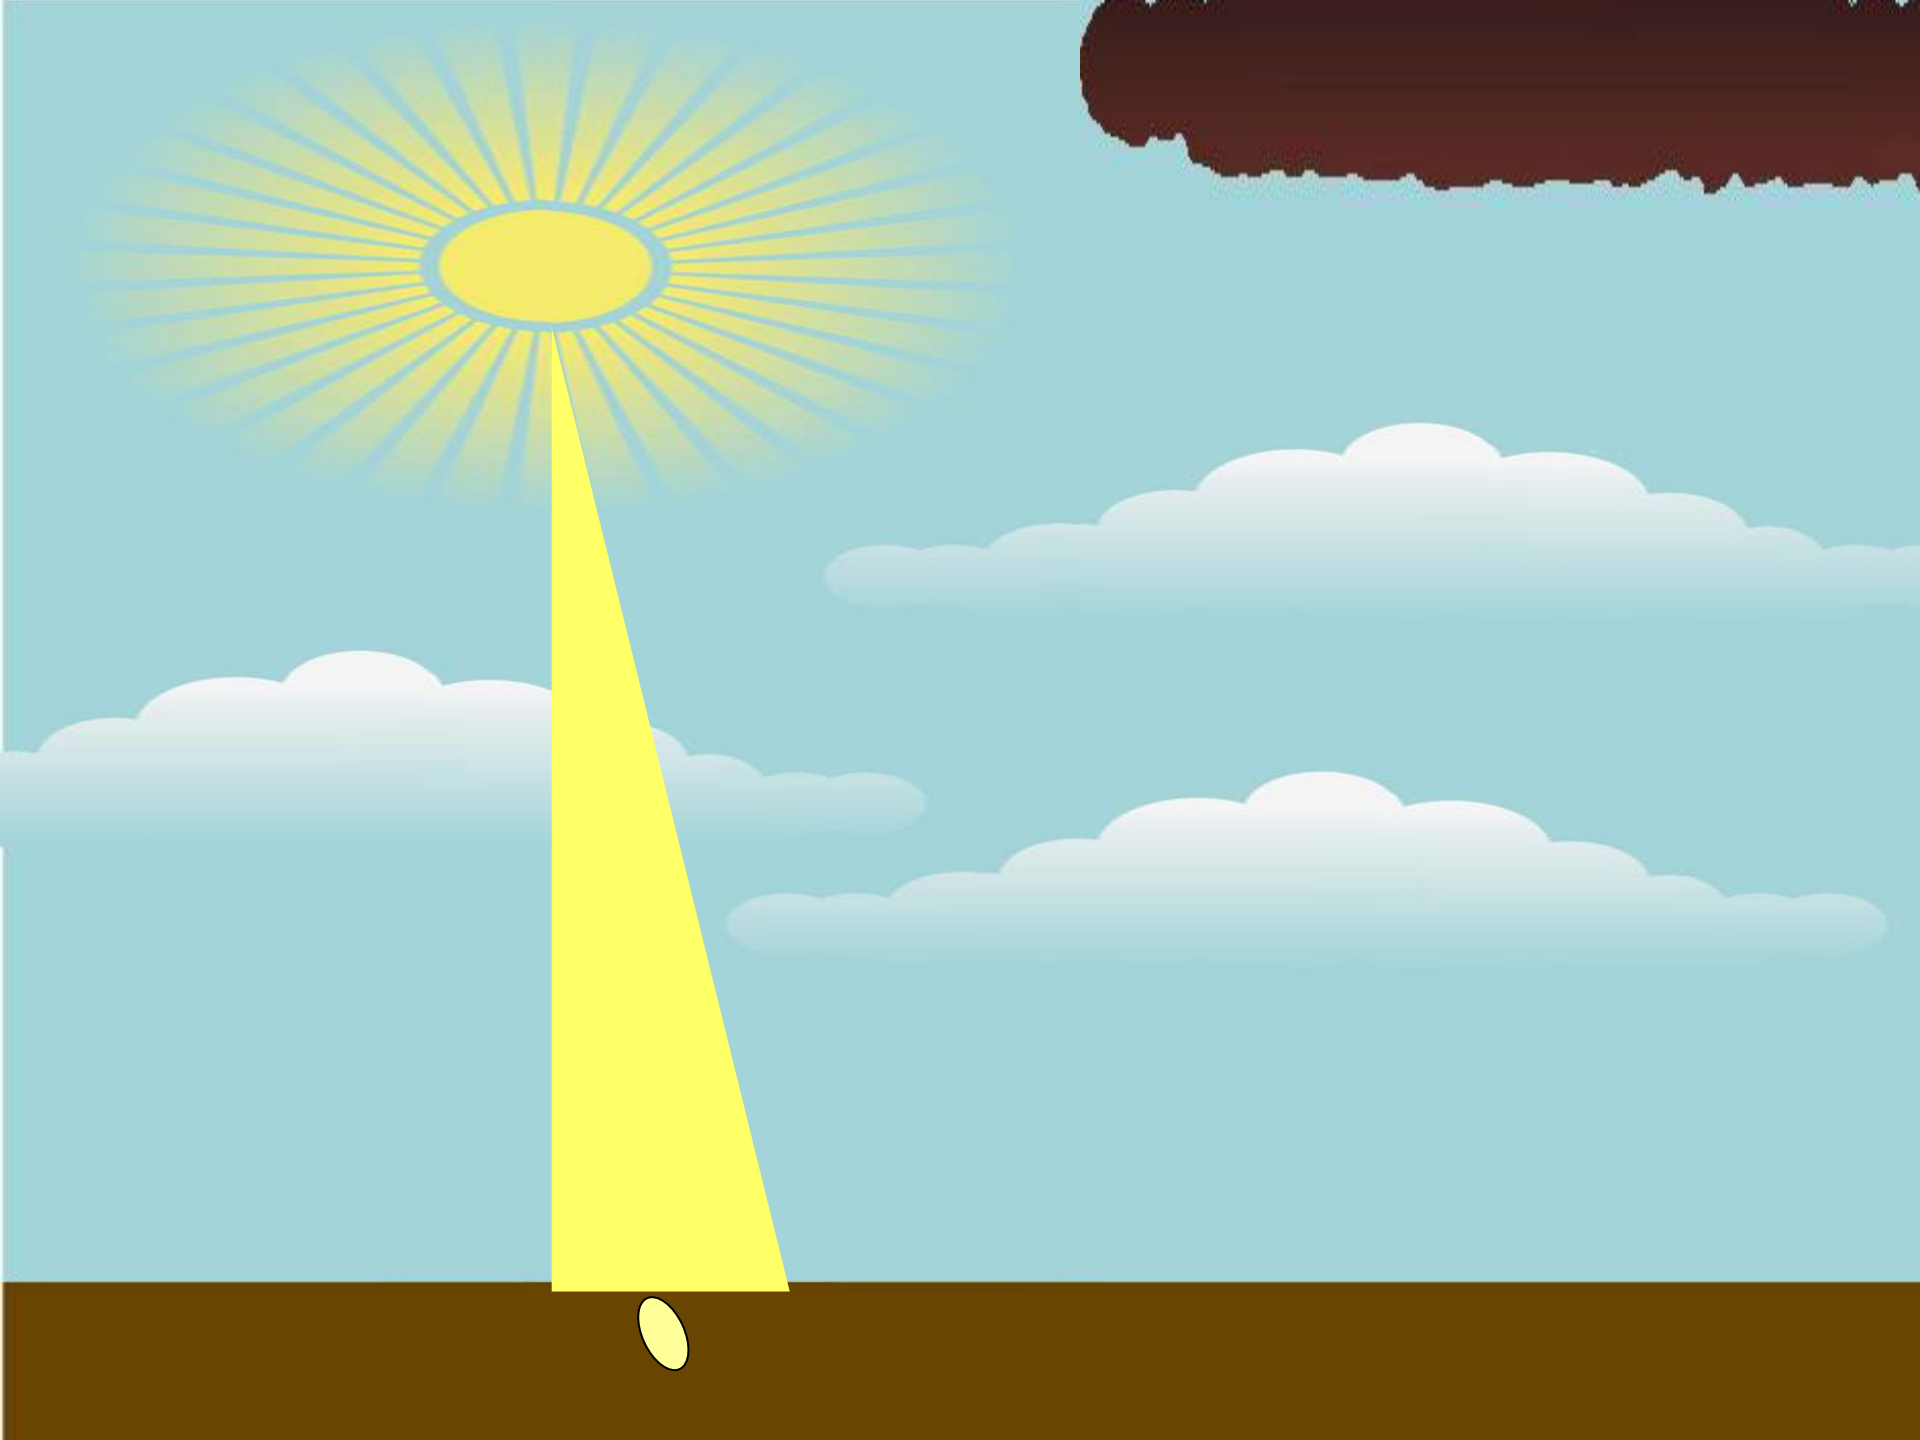

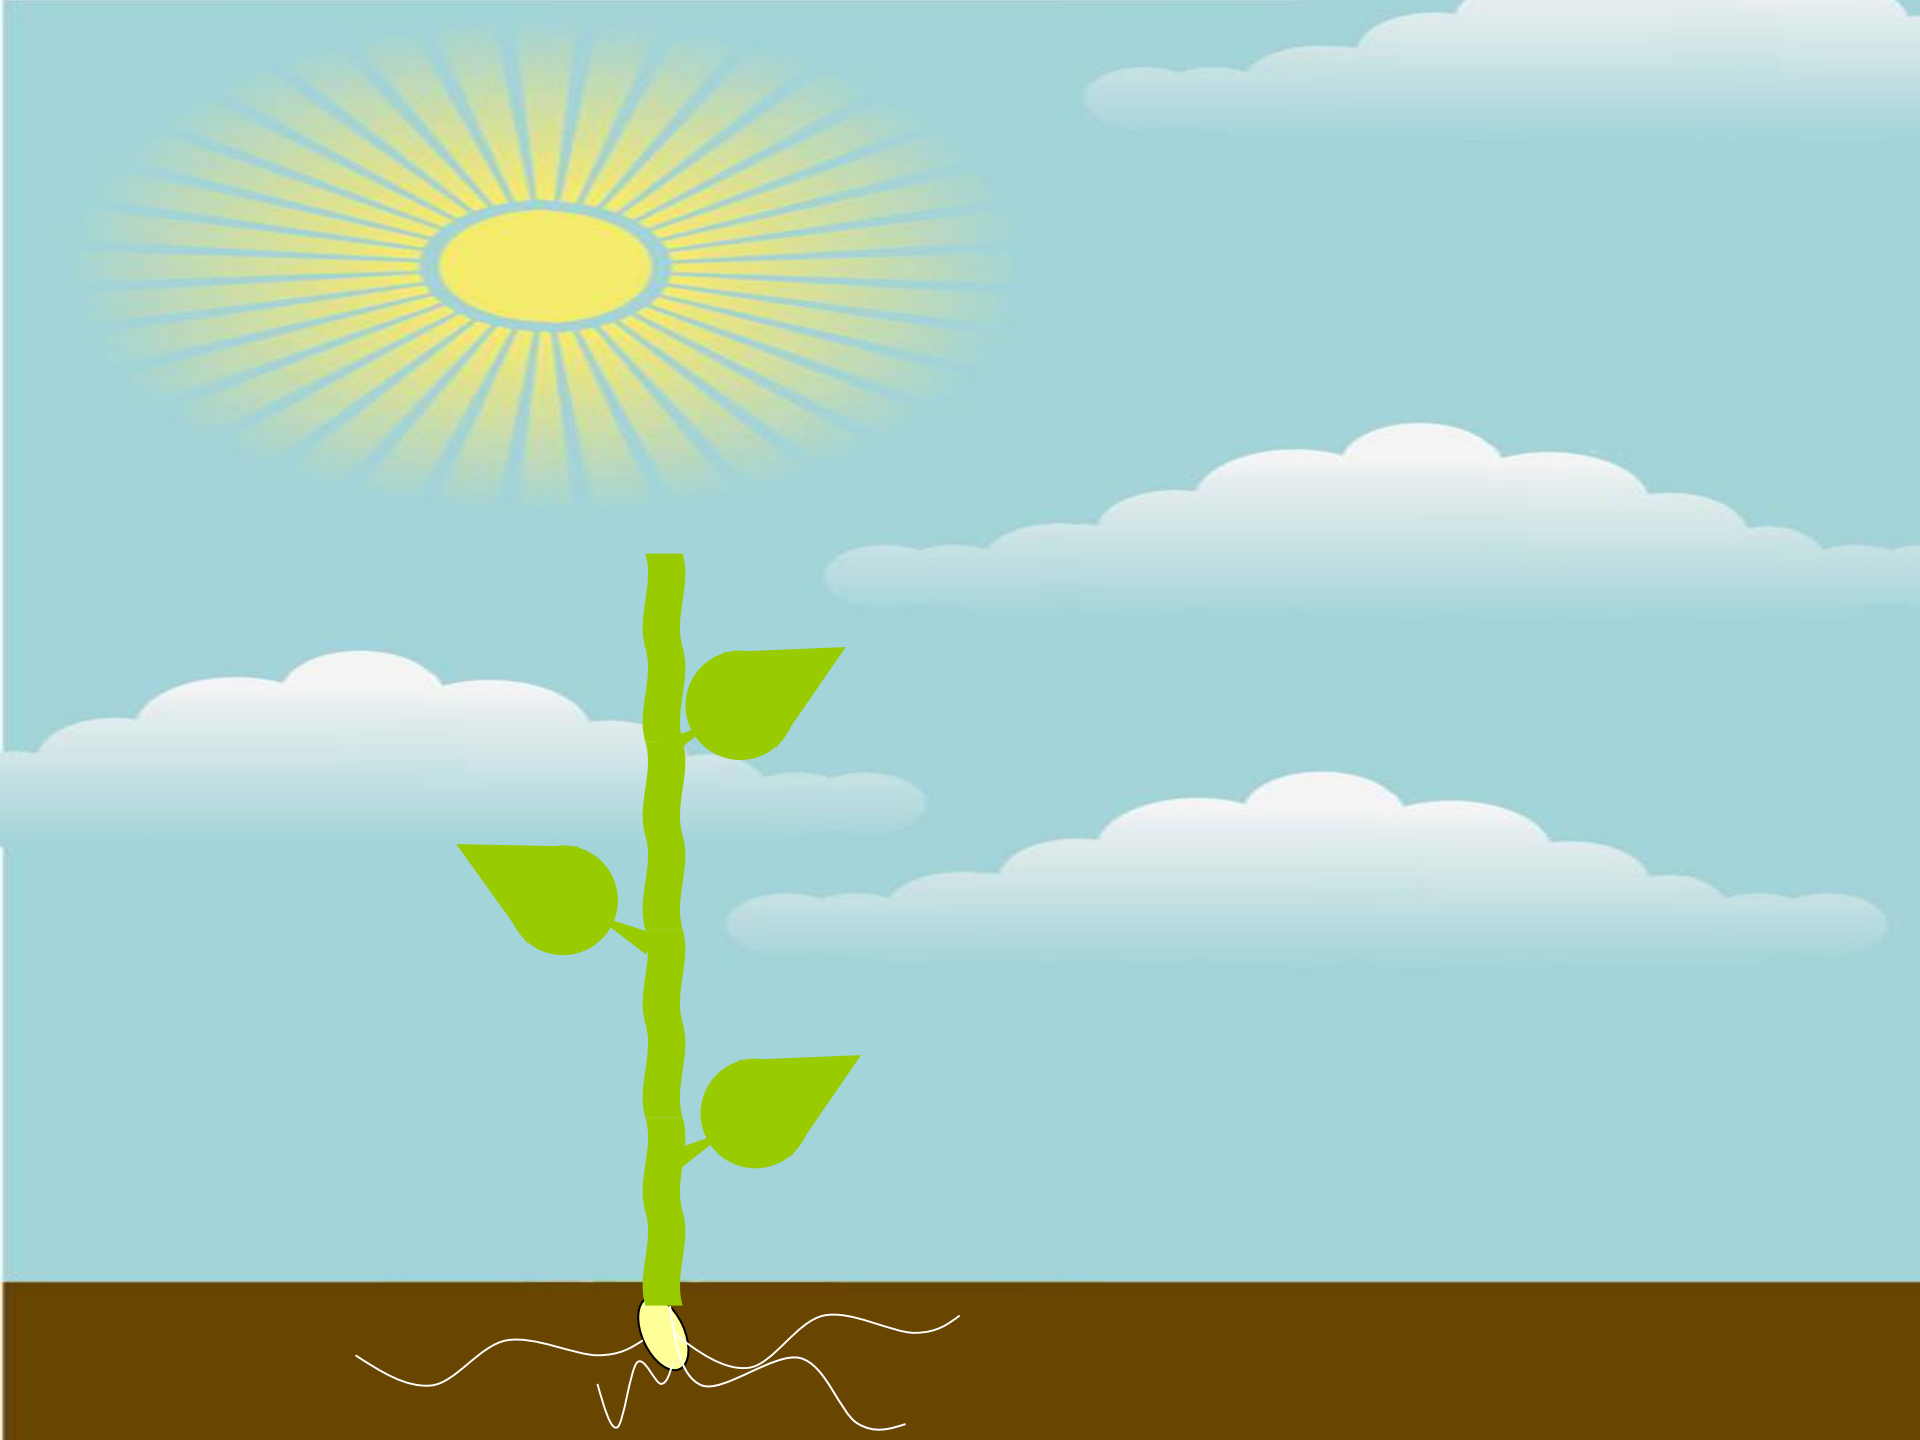

Sun
(light)

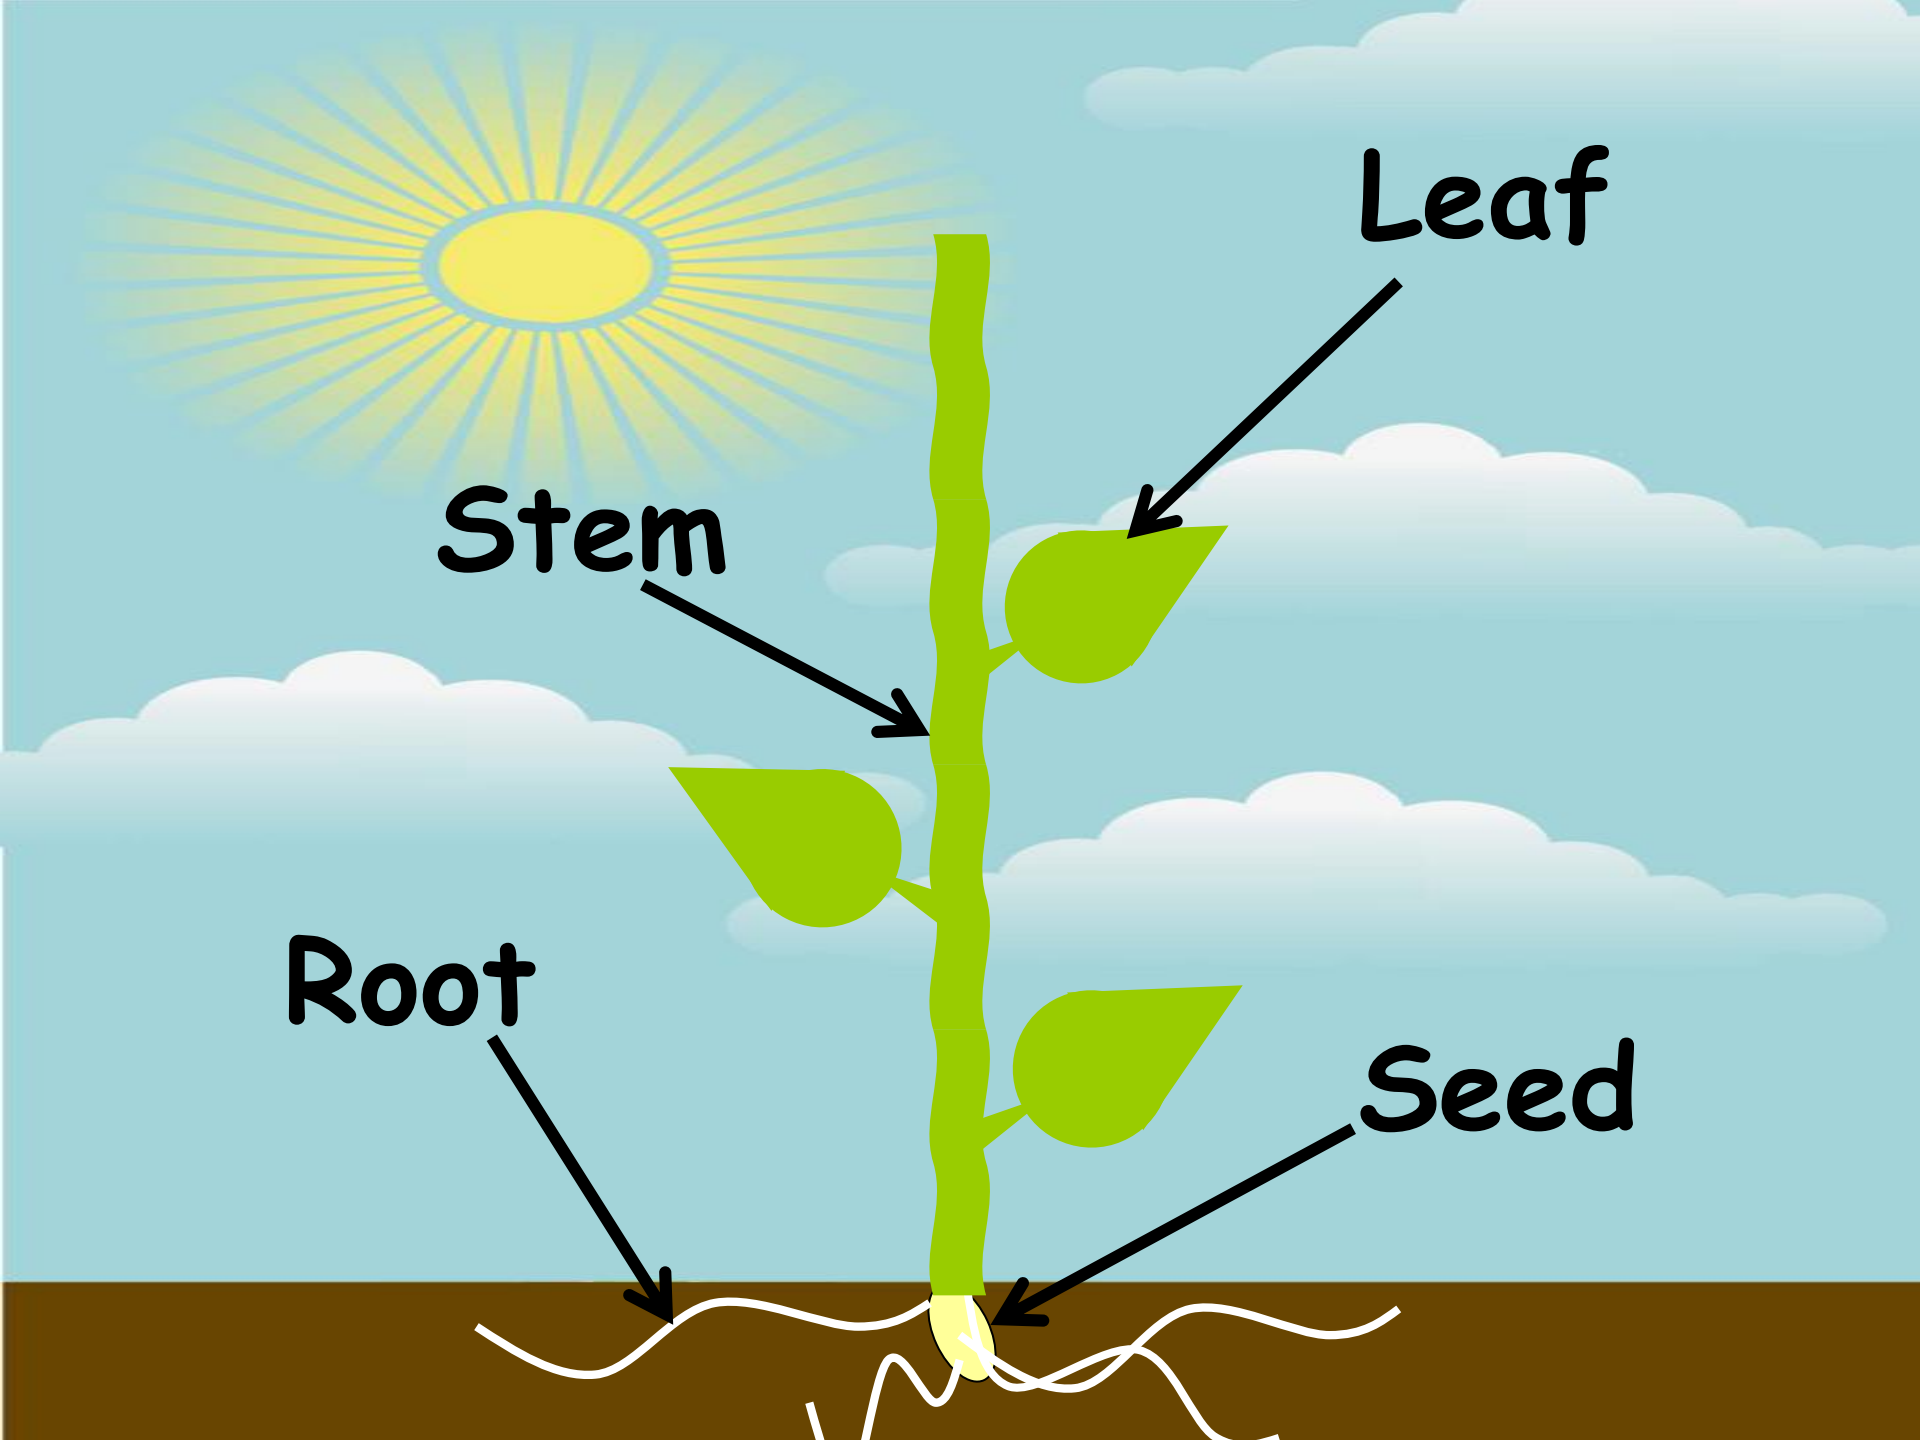

Water

Seed

Soil

Leaf

Stem

Root

Seed

Assignment

Plant a flower

Take a picture of it and send to ask@ogundigiclass.ng
