

Growing
a
flower

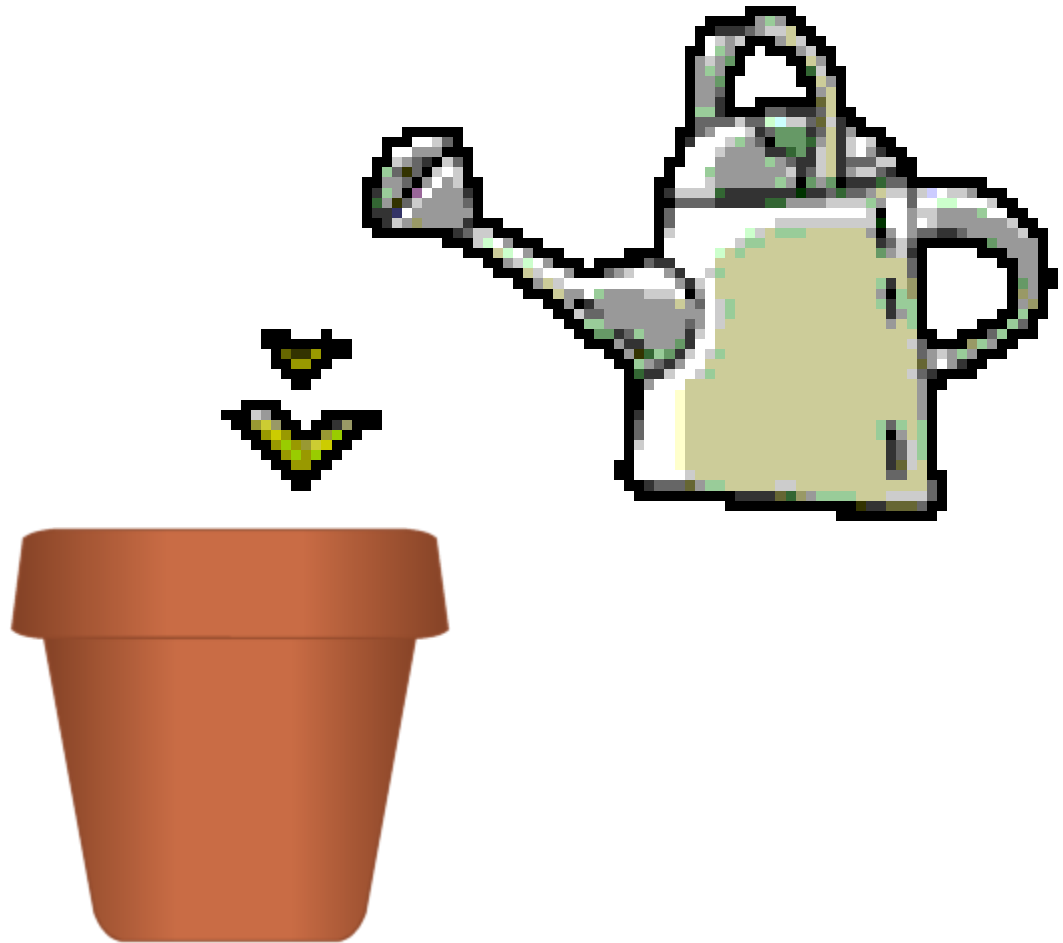

I took a little seed one day
About a month ago.

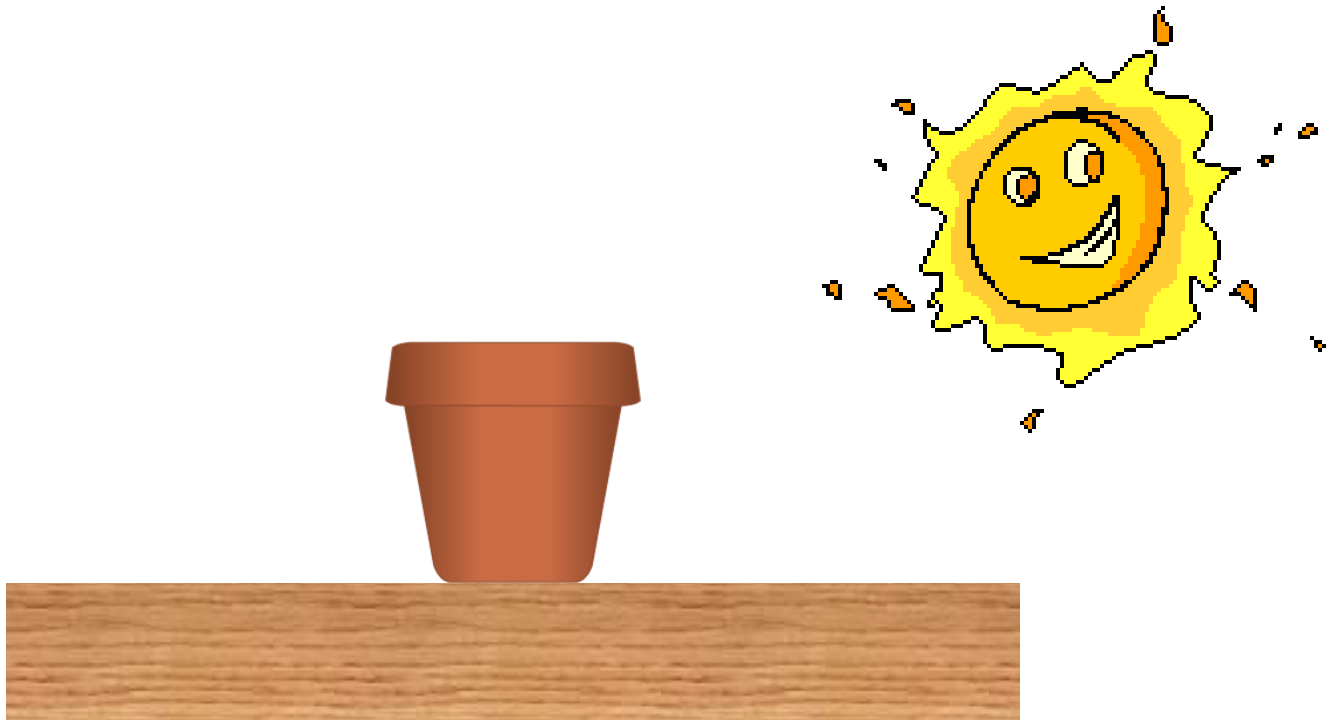

I put it in a pot of dirt
In hopes that it would grow.

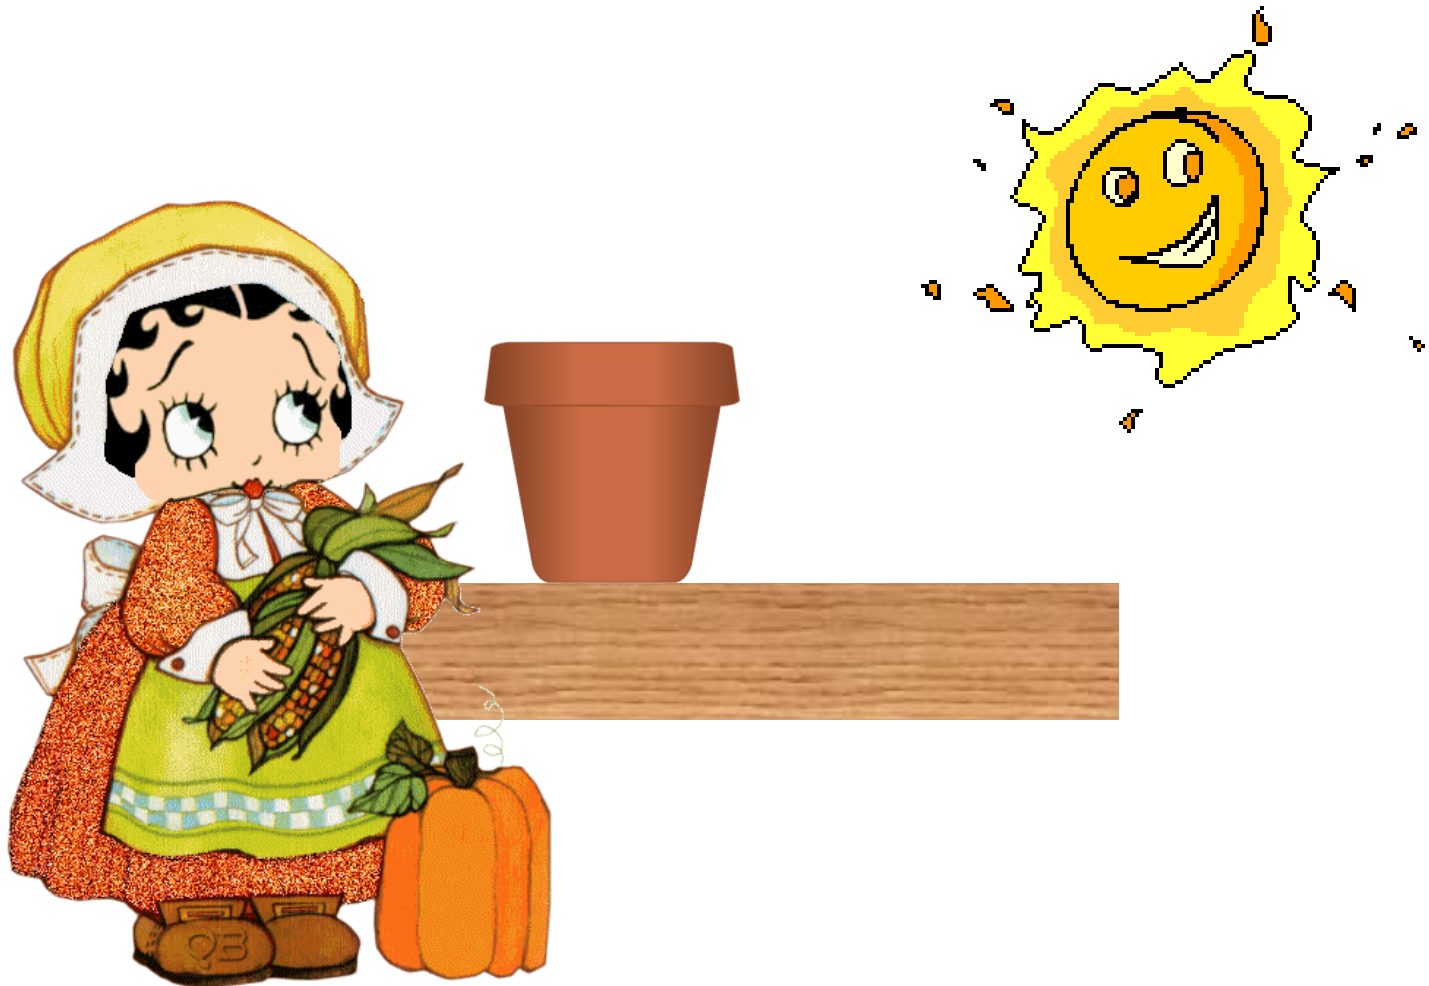

I poured a little water
To make the soil right.

I set the pot upon the sill
Where the sun would give it light

I checked the pot most every day
And turned it once or twice

With a little care and water
I helped it grow so nice

Can you grow a flower?
